PLEASE JOIN US for an evening of fun and relaxation and an opportunity to help disabled animals. Our friends at **Running Hare Vineyard** in Prince Frederick, MD have donated the use of their **stunning new Tuscan-style events building** for an evening in the vineyard for such a worthy cause. Come and enjoy a Friday evening with friends.

The goal of this fundraiser is to provide much needed funds for our operational account. Through your generosity, we will continue to give these amazing animals the care they need and deserve while continuing to educate and bring awareness to these animals that have a zest for life despite their disability – they can and do live happy, healthy lives

Tickets for the Event are \$65.00 per person and must be purchased in Advance

Each ticket includes a \$10 credit toward the purchase of any wine - check out the new facilities and fabulous wine selection on their website at www.runningharevineyard.com

Purchase tickets on our website at www.petswithdisabilities.org

Or mail a check to Pets with Disabilities

Or contact Sharon, our events chairperson at Sharon@petswithdisabilities.org

If you would prefer to make a cash donation to the rescue, that is always appreciated!! We are very excited about your support – and we know, together, we can continue to make a difference in the lives of families that include a disabled pet.

Pets with Disabilities is a local non-profit organization offering a voice for disabled animals. We are dedicated to promoting the adoption of dogs and cats with disabilities, educating families on options of managing pets that are disabled, and supporting shelters across the country in placing disabled animals. Whether blind, deaf, missing a limb, or paralyzed – all of these pets are healthy animals full of spirit, living their own "normal".
